Mr. George M. Bacon,  
Salt Lake City, Utah.

Dear Sir;

In answer to your letter of the twenty seventh I will be able to go to Muddy River on the thirtieth. I will take care of the situation to the best of my ability.

I will also see that there will be a car at Price to meet you Thursday morning. I will have representatives of both companies meet with you at Huntington.

Yours very truly  
Soren Anderson.
